

OUR REFRIGERANT RECOVERY SERVICE KEEPS YOU ARCTICK COMPLIANT

A-GAS RAPID RECOVERY works in conjunction with Arc to ensure that our clients remain compliant. Each unit recovered by Rapid Recovery has a unique decommission sticker placed on the unit and is entered into our custom software package GasTrak Online.

Each year we have the ability to provide our customers with an annual report to pass onto the Arctick auditors.

Are you a **Waste, Demolition, Automotive recycler or OEM**? Why not give us a try?

Our techs will come to you; whether its at your workshop or out on-site. Using our high-speed mobile recovery equipment, we recover all of the refrigerant into our A-Gas supplied pumpdowns and return to A-Gas, where you will receive a rebate for the Kg's recovered.

Rapid Recovery reduces the need for you to waste your staffs valuable time recovering refrigerant and at the same time taking away the risk of not being compliant.

We come to your depot /workshop

We'll Recover your units and report
